<http://4h.missouri.edu/go/projects/shootingsports/contests.htm> or contact your 4-H Shooting Sports Leader or local Extension Office.

Examples of State 4-H Contest Rules to be aware of:

- General Rule– While in the case and when brought to the firing line, air rifles and air pistols shall have a weed eater string (of bright color) in the barrel and protruding a minimum of 6 inches out of the muzzle and out of the action (Clear barrel indicator). Smallbore rifles and pistols should use Open Bolt Indicators. BB guns should use weed eater string, if possible.
- General Rule– All firearms, air guns, and bows must be in a case at all times except when on the range and ready to participate in the event.
- Shotgun Rule– Shotguns are to remain in a case until range official allows them to be racked (immediately prior to shooting). No handling is permitted until called to the field/station. Must be cased when moving between ranges.
- Shotgun Rule– No resting muzzle on shoe or toe pad. Pad to rest muzzle on is permitted – but must be a pad on the ground...not any part of the body.
- Archery Rule - All bows are to be in a case of some sort prior to being called to the line. Recurve bows are to be brought unstrung and will be strung when on the line.
- Archery Rule - A minimum of six (6) matching arrows (same length, weight, shaft & fletching color) are recommended. More is better. Arrows can be damaged or lost. Must have a quiver!!
