

State 4-H Congress Opportunity Scholarship Application

State 4-H Congress serves as the state level leadership event for senior 4-H members. Held on Mizzou's campus, youth gather to participate in a variety of workshops, connect with 4-H'ers from across the state, and have fun! Make connections, grow as a leader, and learn a little more about the college experience through State 4-H Congress.

Opportunity scholarships are available to help offset the cost of attending State 4-H Congress. Priority will be given to youth who have not attended State 4-H Congress in the past. Completed application forms should be returned to Megan Kershner at mkershner@missouri.edu no later than March 15th.
